

Hemswell Wind Farm Update

November 2012

The Planning Application

RWE has been granted a 3 month extension for further clarification taking the application to February or March 2012. Watch this Space!

- **need to resolve civil and defence aviation matters, in view of objections from statutory consultees.**
- **Natural England - habitat management - explore the opportunity for such works to be completed with our ornithologist to identify what may be required.**
- **Cultural heritage - additional visualisations have been requested**
- **Archaeology - request for further survey work -**
- **there are other responses outstanding, which may necessitate further input from ourselves.**

21 January 2013 Paul is attending a meeting of the Governing Body of Hemswell Cliff Primary School to discuss the Planning Application with colleagues.

20 November 2012,

Paul will be attending a conference on Renewable Energy sat the Epic Centre Lincolnshire Show Ground the key note speaker is the Minister of Energy, John Hayes MP. John Hayes has been highlighted in the press regarding his stance towards Wind Farms.
